2023 HUSKY TREK

What it's all about!

Husqvarna Motorcycles Australia is pleased to announce that the Husky Trek is coming to Tasmania in 2023.

The 2023 Husqvarna Motorcycles HUSKY TREK: Tasmania will take place from 12th November – 17th November 2023, taking in the Husqvarna Motorcycles mantra of FOR PIONEERS.

With the release of the new addition Norden 901 Expedition, the Husqvarna Motorcycles travel range grows by one, and so too does the HUSKY TREK.

This 5-day adventure ride offers our 701 Enduro, 701 Enduro LR, Norden 901, and Norden 901 Expedition customers a chance to explore the amazing landscape of Tasmania, with riding covering native forests, gravel roads, beaches, and mountains.

And just as the Husqvarna 701 Enduro and Norden 901 make a great platform for both new and experienced riders, the Husky Trek will be suitable for a wide range of rider abilities. The Main Route will be achievable for first-time adventurers with a little bit of off-road experience. The optional 'Hard Routes' keep things spicy for riders looking to challenge themselves continuously.

The Husqvarna Motorcycles HUSKY TREK is about offering a great experience to our Husky adventure riders - whether you ride a 701 Enduro, 701 Enduro LR, Norden 901 or Norden 901 Expedition - what better way to explore Tasmania than with five days riding rainforests, mountains and beaches with a pack of Husky's!

2023 HUSKY TREK

What's Included?

Why come on the Husky Trek? We take the hard work out of planning a ride so you can truly enjoy your adventure. Ever tried to organize a group of mates for a multi-day ride? Not an easy task. We worry about the details - so you can enjoy the adventure.

// Planned routes with the help of local experts, highlighting the best adventure riding in the region.

// Lead Riders and Sweep Riders - You just get on your Husky each morning and ride.

// Luggage Support - Don't ride hindered by your bags. Our luggage van transports your items each day, leaving you with a light load to enjoy the adventure.

// Technical Support - Peace of mind knowing our Husqvarna Motorcycles team are on hand at each Home Base to assist with any minor mechanical issues that may arise.

// Medical Support - With medical support following, ride at ease knowing that you will have assistance should you need it.

// Backup Vehicle & Sweep Support - Following all riders each day will be a 4WD and trailer, as well as sweep riders ready to help, have a chat, or ride along with!

// Dinner included every night - After a big day of adventure don't worry about where to find your dinner, meaning you can relax and relive the day with a group of like-minded friends.

// Event Video & Photos - We will capture the memories from the week for you to share with your family and friends, making them envious for years to come of your experiences.

// And if that isn't enough for you . . . check out the 2022 Australian adventure for a taste of what it is all about!

- // Registered Motorcycle
- // Third-party property damage insurance OR Comprehensive motorcycle insurance (recommended)
- // Full unrestricted motorcycle license
- // Knobby tyres

2023 HUSKY TREK Route

Starting our Husky journey in Tasmania's Northeast town of Smithton, spectacular ocean views will greet you on your way to Home Base. From here, we head South towards Strahan. Forestry, open sweeping gravel, and challenging coastal tracks are the order of the day. And the views, well, they stack up to the riding. Epic!

We then head across to the Apple Isle's East Coast, our destination, the quaint portside town of Orford. The trip over the middle of Tasmania is exactly what it says - 'over' mountains are the day's staple. But with Mountains comes unworldly scenery and fantastic riding.

Day three will point us Northward to St Helen's, but there will be plenty of time to experience the road less travelled. Another day sampling some textbook Tasmania adventure riding on your Husky. And for those wanting to live their Dakar romances, a wide-open, sandy beach promises to scratch the itch.

The final destination of Derby awaits, and with-it, single-track Mecca. Derby is well regarded for its world-class mountain biking and where bikes without horsepower can have fun, and a pack of Husky's can show them what a good time really looks like. Day 4 promises to be so good that we had to have two bites at the cherry with a loop day running for the fifth and final day. Who said you could have too much of a good thing?

2023 HUSKY TREK

Navigation

As outlined, the Husky Trek will be suitable for a wide range of riders, just as the 701 Enduro and Norden 901 are. Therefore two riding options will be available throughout the event. The main route will be achievable for those in their first year of adventure riding (should have some off-road experience, at least a year), and the hard route options each day will offer up challenges for those looking to push themselves and broaden their horizons.

Lead riders will be first to run the day's route, and sweep riders will bring up the tail end of the pack to assist throughout the day with anything technical or other issues that may arise.

Navigate with track markings laid out each day as well as GPS routing. We strongly recommend having a GPS unit for this Husky Trek, or riding with a mate who has one.

Route sheets will be supplied each evening at riders briefing to give riders an idea of the following day's routes.

2023 HUSKY TREK Trek Support

To assist riders in making the most of their Husky Trek experience, we offer the following support.

LUGGAGE

An allocation of one-bag per rider is available in the Luggage Van, which will be carried between each overnight destination. This bag can be either a roll-bag or pack (no hard luggage).

TECH SUPPORT

We will have a Husqvarna Motorcycles team available to assist with any minor issues that may arise along the way that you cannot fix yourselves.

GENUINE PARTS SUPPORT

All riders are advised to bring spare parts along, however in case of unforeseen circumstances that may arise when adventure riding, we will have a range of Genuine Parts available to purchase throughout the Husky Trek.

MEDIC SUPPORT

We will have Medical Support staff available to assist with rider injuries.

More information on the provided support will be given to those who register for the event in the Registered Rider Pack.

their own way home.

2023 HUSKY TREK

Accommodation & Dinners

For the Husky Trek Australia, all your accommodation options are outlined, all you need to do is follow the steps and book.

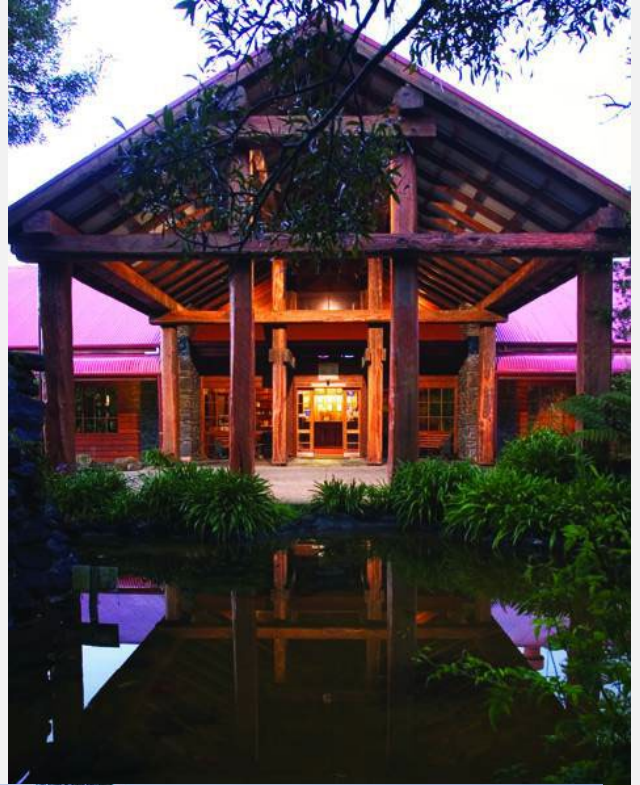

Once registered, all riders will receive a REGISTERED RIDERS PACK which will outline all the accommodation venues and where the nightly Riders Briefing and Dinners will take place, which we call the Home Base.

HOME BASE

Each night we will have a Home Base, where all the support will be available, including luggage, technical and medical. This will also most likely be where the dinner destination is for the night, as well as the Riders Briefing and nightly social revelry!

DINNERS

Are included in the Husky Trek every night. From the Welcome Dinner on the first night to the final Wrap-Up dinner. So, after a long day on your Husky, you don't need to worry about having to think about dinner - we've got it sorted for you.
