2024 HUSQVARNA TREK

What it's all about!

Husqvarna Motorcycles Australia is pleased to announce that the Husqvarna Trek is back for its fifth year, heading to the New South Wales South Coast in 2024!

The **2024 Husqvarna Trek: South Coast** will take place from September 1st to September 6th 2024, taking in the Husqvarna Motorcycles mantra of FOR PIONEERS.

This exclusive five-day motorcycle adventure ride offers our Husqvarna Motorcycles 701 Enduro, 701 Enduro LR, Norden 901 and Norden 901 Expedition customers a chance to explore the amazing tracks of the South Coast, from high mountain escarpments, down to stunning coastal sections and everything in-between. All with the support of Husqvarna Motorcycles Australia's dedicated crew, from expert local Route Coordinators to Lead and Sweep riders, as well as luggage, technical, medical and 4WD support.

And just as the Husqvarna 701 Enduro and Norden 901 make a great platform for both new and experienced riders, the Husqvarna Trek will be suitable for a wide range of rider abilities. With two route options – Main Route and Hard Routes - the Main Route will be achievable for newer adventurers who may not have much experience off-road. And the Hard Routes keep things spicy for riders looking to challenge themselves continuously!

The Husqvarna Trek is about offering a great experience to our Husqvarna Motorcycles adventure riders, and what better way to explore Australia than with five days exploring with like-minded Husqvarna riders!

2024 HUSQVARNA TREK

What's Included?

Why come on the Husqvarna Trek? We take the hard work out of planning a ride so you can truly enjoy your adventure. Ever tried to organize a group of mates for a multi-day ride? Not an easy task. We worry about the details - so you can enjoy the adventure.

- // Planned routes with the help of local experts, highlighting the best adventure riding in the region.
- // Lead Riders and Sweep Riders - You just get on your bike each morning and ride.
- // Luggage Support - Don't ride hindered by your bags. Our luggage van transports your items each day, leaving you with a light load to enjoy the adventure.
- // Technical Support - Peace of mind knowing our Husqvarna Motorcycles team is on hand at each Home Base to assist with any minor mechanical issues that may arise.
- // Medical Support - With medical support following, ride at ease knowing that you will have assistance should you need it.
- // Backup Vehicle & Sweep Support - Following all riders each day will be a 4WD with trailer, as well as Sweep Riders ready to help, have a chat or ride along with!
- // Dinner included every night - After a big day of adventure, don't worry about where to find your dinner, meaning you can relax and relive the day with a group of like-minded friends.
- // Event Video & Photos - We will capture the memories from the week for you to share with your family and friends, making them envious of your experience for years to come.
- // And if that isn't enough for you . . . check out the 2023 Husqvarna Motorcycles Trek: Tasmania for a taste of what it is all about!

2024 HUSQVARNA TREK

Route & Navigation

Starting and finishing in Huskisson, NSW, a popular coastal destination in the Shoalhaven region, and a very fitting town to host the start and finish of the 2024 Husqvarna Trek!

From Huskisson, the Trek will head along the coast to Batemans Bay, before two overnights at our southern-most Home Base of Bermagui, before returning through Batemans Bay to Huskisson.

The terrain in the South Coast region will offer riders flowing forest tracks and fire trails, climbing from the coast to the edge of epic escarpments, with stunning views back over the ocean from the numerous lookouts along the way. Riders will be able to enjoy plenty of elevation gain throughout each day – but don't worry, the steeper uphill and downhill sections will be kept for the spicy Hard Routes!

More highlights of the route include plenty of water crossings, as well as long flowing sections following along the banks of rivers. While the Day 3 loop from Bermagui will diversify with some sandy and loamy sections to dial up the FUN!

Main Route will offer easier tracks for riders – however Hard Routes will feature more overgrown and challenging sections – sometimes forming single lines.

The key objective of our local expert Route Coordinators is to provide riders a near all-dirt experience, with most days featuring 80% off-road and very limited bitumen sections in and out of the overnight destinations or fuel stops!

As outlined, the Husqvarna Trek will be suitable for a wide range of riders, just as the 701 Enduro and Norden 901 are. Therefore, two route options will be offered throughout the event. The Main Route will be achievable for those in their first few years of adventure riding (we strongly advise that riders should have, at minimum, two years of off-road riding experience). And the Hard Route options each day will offer up challenges for those looking to push their limits and broaden their horizons.

Lead Riders will depart before the group each morning to ensure the tracks are clear, plus Sweep Riders will bring up the tail end of the pack to assist with any issues that may arise throughout the day.

Choose daily which routes you wish to take - as this adventure is designed for each rider to make it their own. Each day's route can be traversed in your own time, at your own pace. To achieve this, navigation for riders will be via GPS, arrows to assist throughout the day and route sheets supplied at each night's Riders Briefing. It is mandatory for all riders to have a GPS unit or GPS navigation capabilities for the Trek. The route sheets will also feature Points of Interest which you should take note of each day.

2024 HUSQVARNA TREK

Trek Support

To assist riders in making the most of their Husqvarna Trek experience, we offer the following support.

LUGGAGE

An allocation of one-bag per rider is available in the Luggage Van, which will be carried between each overnight destination. This bag can be either a roll-bag or pack (no hard luggage).

TECH SUPPORT

We will have a Husqvarna Motorcycles team available to assist with any minor issues that may arise along the way that you cannot fix yourselves.

GENUINE PARTS SUPPORT

All riders are advised to bring along spare parts: however, in case of unforeseen circumstances that may arise when adventure riding, we will have a range of Genuine Parts available to purchase throughout the Husqvarna Trek.

MEDIC SUPPORT

We will have Medical Support staff available to assist with rider injuries.

More information on the provided support will be given to those who register for the event in the Registered Rider Pack.

2024 HUSQVARNA TREK Itinerary

SIGN ON & WELCOME

Sunday, September 1st 2024
Huskisson Hotel

2024 HUSQVARNA TREK

Accommodation & Dinners

For the Husqvarna Trek, it will be the RIDERS RESPONSIBILITY to book their own preferred overnight accommodation. Once registered, all riders will receive a REGISTERED RIDERS PACK which will outline all the accommodation venues and where the nightly Riders Briefing and dinners will take place, which we call the Home Base.

HOME BASE

Each night we will have a Home Base, where all the support will be available, including luggage, technical and medical. This will also most likely be where the dinner destination is for the night, as well as the Riders Briefing and nightly social revelry!

DINNER

Are included in the Husqvarna Trek every night. From the Welcome Dinner on the first night to the final Wrap-Up Dinner. So, after a long day on your bike, you don't need to worry about having to think about dinner - we've got it sorted for you.
